## *What Is an Accommodation Block?*

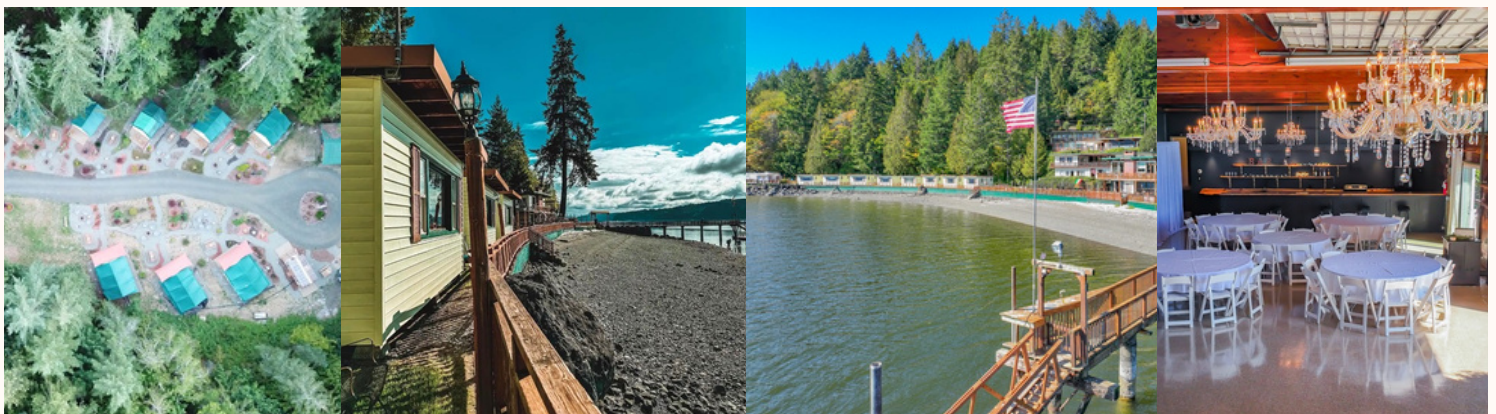

An accommodation block is a group of rooms a hotel sets aside for an event to be booked and paid for by the attendees. All rooms in your accommodation block will be placed on a temporary hold upon booking and held until 90 days prior to the event. Should all rooms not be booked by 90 days before your event, a reminder will be issued with a 48-hour grace period.

While full occupancy is not mandatory, unpaid rooms by the cutoff date will incur charges at the negotiated rate. The accommodation block is exclusively reserved for your party and any unpaid rooms will need to be paid for in full no later than 88 days before the event. Failure to meet this deadline will result in the venue using event payments collected to cover the room block balance in addition to the venue reserving the right to cancel the event.

We'll provide your group with a unique booking link for individual units and keep you updated bi-weekly. Our room block cancellation policy is as follows: 90% refund if canceled 90 days before the event, 50% refund if canceled 60 days before, 25% refund if canceled 30 days before, and non-refundable within 29 days of the event. Half of the venue fee is payable upon booking and the remaining 50% of the balance is due 6 months before the event.

Regarding cancellations, 90% of the deposit is refundable within 72 hours of booking the event, postponement policy available up to 9 months before event and event is fully non-refundable thereafter.
